Ted,

Thank you for the below email. Can you provide me with a statement that it is now permissible for us to allow removal of the personal property? The equipment creditors and trustee want to proceed with the sale (or repossession in the case of Toyota and its lift truck) of the personal property.

Shawn,

Dan Heister has told me that the removal action work selected by EPA at both the Queen Street and Ferry Street Absorbent Technologies properties has been completed.

Feel free to contact me with any questions.
